2022

Scholarship Application Form

Scholarship Details

Details of Scholarship: The **\$1,500** award is made payable to a student (either undergraduate or postgraduate) to assist with their studies or research. The program is aimed at engineering or geoscience students (in all years) pursuing a career in Petroleum Engineering or in a field related to the petroleum industry. These scholarships are reserved for students studying in QLD. Up to three (3) individual awards may be made for either Undergraduate and Post-graduate Scholarships, for a total of six awards.

Posting on SPE Qld Website : 1st June 2022

Deadline for applications: 31st July 2022.

Notification of Awards: by end of September 2022

Eligibility: Those eligible to apply are those who are student members of SPE QLD currently enrolled in full time academic study by course work for the undergraduate award or those students currently enrolled in full time or part time post-graduate academic study for the postgraduate award.

Award Criteria : Award Selection is based up the Key Criteria section below. The intention of this scholarship is to promote students engagement and involvement in the petroleum industry and recognise support of the Society of Petroleum Engineers. Students who have best demonstrated their efforts in the achievement of these aims with their responses below will be chosen for an award.
